At NSKS Cable Trays Pvt Ltd, let us take the opportunity to introduce and embark ourselves as one of the prominent cable trays manufacturing companies in the country.

NSKS Cable Trays Pvt Ltd is a well-known and reputed cable tray manufacturer providing superior quality services at competitive prices.

About the Company

The company was established in 2018 with a name - NSK Cable Trays. The company was Initiated as a manufacturing proprietor firm and was performing well in the market. However, the founders had bigger dreams and aimed to expand their business. Hence, in September 2020 the company went on to convert itself to NSKS Cable Trays Pvt Ltd.

The professionals at NSKS Cable Trays have put in many efforts and time in conducting a plethora of research activities. Over the years, these researches have become a base for us to design and develop the huge and diverse product line suits the customers' needs and wants. In our two-year journey, we have always thrived hard to offer the best to our clients.

We believe in hustling each day by providing innovative and the right business solutions throughout. For NSKS Cable Trays, client satisfaction is the utmost priority. You can rely on our quality, and we assure you that we will never disappoint you.

What are Clients Talk About Us

It is our quality of work which speaks volume for ourselves.

Here is what our clients have been talking about us:

Client Testimonial 1

It was a pleasure getting associated with NSKS Cable Trays, and we were impressed with the kind of quality services provided in a short period.

Client Testimonial 2

The professionals' approach at NSKS Cable Trays, right from the beginning was on point. The communication was also seamless, and we did not face any loophole.

Client Testimonial 3

The best part was that they customized each and every product as per our customization requirements. We just had to tell them our needs, and they left no stone unturned in fulfilling all our needs in the best way possible.

Client Testimonial 4

The Dyes and tools provided by NSKS Cable trays were of excellent quality. They were versatile enough as we could use them at multiple places.
